

Student Name _____

Student ID or Soc. Sec. # _____

Dependent Student Adjusted Tax Form for Persons Who Filed Jointly

This worksheet is used when a student's parent completed a tax form with a spouse whose income should not be used when filing for financial aid. (Examples: parents filed jointly but are now separated or divorced; parents filed jointly, but one of the parents is now deceased.)

Attach copies of your parents' 2010 federal tax form and both parents' W-2 forms.

Please write in the space below why only one of your parents' incomes should be used:
