

# Student Payment Office

## *Tuition Fee Definitions*

### **Student Activity Fee**

Each semester, students are required to pay a non-refundable fee (up to 15 credits) to support student clubs and activities.

### **Technology Fee**

Each semester a fee (up to 15 credits) is charged to each student for technology services, equipment, etc. provided within the college.

### **MN State College Student Association Fee**

Each semester, students are required to pay a non-refundable fee to support the state student organization.

### **Access Fee**

Each semester an access fee plus tax is charged to each student (up to 15 credits). The fee does not apply to online courses coded as an Internet class on the course schedule.

The fees are used for:

- Snow removal during winter from sidewalks and roads
- Repairs and improvements to pedestrian and vehicle access, which includes the bus and non-motorized transportation
- Development of new sidewalks, paths, roads, and parking lots
