

STUDENT SUCCESS DAY SCHEDULE

It's All About You

February 15, 2012

Student Success Day is a day set aside each semester to support academic success. Student Success Day provides opportunities for career building and personal growth, and making connections with students, staff, faculty, LSC and our community. Through the variety of sessions and activities scheduled, Student Success Day provides opportunities for you to focus on sessions and activities to support your success and explore the aspects of the GPS LifePlan (Goals + Plans = Success; see GPS LifePlan link @ Student Portal)

Suggestions to get the most out of your Student Success Day:

- Write your Student Success Day schedule in the space provided on the planning sheet. If you have questions, talk to your instructors or advisors. Enjoy your day.
- Make appointments to connect with your instructors during the day – see how you are doing in each of your classes. Find out what you can do to improve.
- Plan to attend the keynote presentation at 12:00 in the Commons. The event is sponsored by Student Life.
- After attending the keynote presentations, enjoy pizza!

Attendance information for Student Success Day: evening classes will begin at 4:00PM. Look over the concurrent sessions and select sessions you want to attend. Be sure to check to see when your teachers will be available for conferences; make appointments, if necessary. Individuals with disabilities may request reasonable accommodations by contacting LSC's Disability Services at (218) 733-7650, S1911, or g.robillard@lsc.edu.

Fill out your schedule for Student Success Day on the next page.
