

New Student Login Instructions

1. **Lookup your LSCnet account information.** Go to www.lsc.edu, click on Student Portal, and then click on Lookup Your LSCnet Account.
2. Enter in your e-Services information. Your e-Services information is your Student ID and Password.

Student ID Number - There are two ways in which you may have received your Student ID. The first way is at a registration session on campus. Your Student ID is an eight-digit number that begins with a zero or a one. The second way is if you created a MnSCU (Mn State Colleges and Universities) account to register for classes. If you created a MnSCU account then your Student ID number was sent to you via email from MnSCU.

Password - Your initial Password is your birth date in the following format: YYMMDD. Example, if your birth date is January 27, 1980, your Password will be 800127. If you did not provide your birth date on your application, your Password will be the last six digits of your social security number. If you created a MnSCU account, you created your own Password during the account creation process.

What if I don't remember my Student ID or Password?

You may have it emailed to you. Go to www.lsc.edu, click on Student Portal, then click on LSC e-Services, and then click on Forgot ID? or Forgot Password?

Who do I contact if I need assistance?

Contact the Technology Support Center at 1-800-432-2884 ext. 1016 or 218-733-1016

3. **Login to your email account.** Go to www.lsc.edu, click on Student Portal, then click on LSC Email.
4. **Login to your e-Campus account.** Go to www.lsc.edu, click on Student Portal, then click on Connect e-Campus. You will be able to log into your account about three weeks before your class begins. You will not have access to your class until the first day of class.
5. **Become familiar with the Connect e-Campus.** Click on the LSC Online Skills course to look at a sample course.
