

## Final Examination Schedule

*Academic Year 2010-2011*

Regularly scheduled day, evening and Saturday classes will follow the schedule for final examinations stated below. Classes which start at the half hour should be considered as starting at the closest even hour (8:00, 10:00, 12:00, 2:00, 4:00, or 6:00). Final exams for one and two credit courses should be given during the last week of the term. Exam schedule conflicts for individual students need to be worked out in advance by mutual agreement between the instructor and the student. Any student scheduled for more than three examinations on a single day may petition the Division Dean or Vice President of Academic Affairs.
