Program Planner

Created on: 01/16/08

Updated: 02/10/11

Effective: Spring 2012 **(Note: Spring Start Only)**

Qualified applicants should be aware that program class sizes are limited, which may delay acceptance into the program.

You may be required to complete additional (or less) coursework, dependent upon the results of your Nursing Entrance Test and Computerized Placement Test (CPT), and/or previous coursework completed or certifications awarded. The Nursing Entrance Test is a predictor tool that evaluates academic, social, and learning skills required for successful completion of nursing studies.

Program:	Nursing
Degree Type:	Associate in Applied Science
Total Required Credits:	69

Pre-program Requirements

Successful entry into this program requires a specific level of skill in the areas of English, mathematics, and reading. Program entry will depend, in part, on meeting the prerequisites listed below:
